Investment Highlights

Origin Therapeutics is an **actively-managed investment issuer** providing investors with diverse exposure to the psychedelic industry.

The psychedelic space is a \$100 billion market opportunity¹ and the vast majority of companies created to capture this opportunity are private companies.

Retail investors often do not have access to the most promising private companies. Origin's team of experienced investment professionals has significant deal flow and a process to select the most optimal companies representing the psychedelic industry.

The industry developing now has the potential for more than just profitable investments: it's a way to further treatment in mental health. We're investing in a diverse portfolio with one commonality: the betterment of all of us.

Knowing the market, is winning the market. Our in-house expertise and relationships with industry specialists allows us to make decisions from a position of strength.

Brokering partnerships with key players gives us access to exclusive opportunities.

The most important asset we have is our team which brings insight, analysis and executive skill backed by decades of collective experience.

Significant Deal Flow from a Well-Connected Management Team

Our investment mandate is simple. We focus on companies with an **exemplary management team** and **high growth potential**.

Wellness Retreats

Dimensions Health Centres

Dimensions is focused on developing psychedelic inspired retreats, starting with its flagship Dimensions Algonquin Highlands in Maple Lake, Ontario.

Origin invested in Dimension's initial seed round and provided guidance on its real estate financing initiatives. Dimensions is currently raising \$12.5M in its Series A round, representing a 3x unrealized return on Origin's initial investment.

Media & Entertainment

Microdose

Microdose is a psychedelic industry-focused media company that distributes and creates compelling content, financial analysis, engaging events, and groundbreaking education to drive the psychedelics industry to the forefront of modern medicine.

After **Wonderland**, the world's first major in-person psychedelic conference, comes **Plant Medicine Week!**

Medical Clinics

TripSitter

TripSitter is an oral ketamine treatment program delivered online by licensed physicians. TripSitter’s program provides deep and sustained relief for both mild and severe depression, anxiety, and trauma-related mental health conditions.

As of February 2022, TripSitter has providers in 23 states: *Arizona, California, Colorado, Florida, Georgia, Illinois, Iowa, Kentucky, Maine, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Hampshire, North Dakota, Oklahoma, Tennessee, Vermont, Washington, West Virginia, Wisconsin, and Wyoming.*

Pharmaceuticals

Early-stage drug development

Xpira Pharmaceuticals

Xpira is focused on the development, production, and marketing of psychedelic-based products, as legally permitted, with clinically proven efficacy. Xpira's team was formed by leaders in the Canadian and Dutch pharmaceutical industries with proven track records and a deep understanding of the pharmaceutical development pathways to bring drug candidates to market.

Ocean Bio

Ocean is an early-stage drug discovery company that is focused on the design of novel psychedelic therapeutics (as compared to using traditional psychedelics, such as psilocybin, LSD, ketamine, etc.). Ocean's mission is to develop novel CNS drugs, as legally permitted, that may have desirable therapeutic applications, while minimizing possible negative side effects that are otherwise associated with traditional psychedelics.
